

Devon's EHC Hub

For Information only: No further action required

During the coming weeks, we know that some schools and colleges are closing or partially closing. EHCP reviews that are due during this time will obviously be affected.

Schools and the SEND 0-25 team will work together to ensure that children/young people and their families feel safe and supported.

[More information regarding EHCP Reviews at this time can be found here](#)

Where possible and appropriate the SEN 0-25 are continuing to upload plans onto the EHC Hub for the academic year 2020/21

You can view any plans assigned to your setting by logging into the Hub. You will be able to see/download the final plan, its review date and the outcomes to be reviewed.

At this time, we would ask SENDco's and their teams to take no further action.

Meetings for the autumn term do not need to be setup at this time
