

RE newsletter

Coronavirus Edition!

April 2020

Hi and welcome to a my lockdown newsletter! I hope you are all managing to stay sane and well in these strange times. This newsletter is designed to give you some suggestions for home learning resources, while schools are closed to the majority of pupils.

I've actually really enjoyed pulling together a whole list of great RE ideas and support materials here; there's such a lot of great material out there. However, just a word of caution. Many parents are doing a valiant job home schooling, but don't feel you have to [overload them with work](#); less might just be more!
