## Re-think Reading!

Re-think Reading! is a collection of ideas for lessons that can be used and adapted for guided or whole class reading with each primary school year group. They have been written around the demands of the national curriculum programmes of study for reading and are available for each phase: **Y1**, Y2, Y3/4 and Y5/6.

All books will be supplied with plastic jackets and SLS stationery. When tatty or no longer required subscribing schools may exchange them through their library allocation.
